NATURE & LEISURE P.18

©Image & Co

CAST YOUR SAILS

Swaying in the wind and in sync with the exceptional tides, share an unforgettable experience with the sea.

EXPLORE NATURE

Explore protected nature reserves to discover preserved fauna and flora.

©W. Berré

©W. Berré

WALK, PEDAL, GALLOP

Walk along the coastal paths and wander around the lustrous countryside on foot, by bike, or on horseback to discover breathtaking landscapes.

AUTHENTIC HERITAGE P.12

©W. Berré

MARVELLOUS COAST

Breathe the sea air and let yourself be taken away by the changing reflections of the water and the radiant light of this wild coastline. Admire the exceptional seaside architecture or the delightful fishing villages.

IN THE COUNTRYSIDE

Discover the green and blossoming countryside. Stroll around the typical villages which look as though they have come directly from a water-colour.

©Ville de Dinard

THE CHARMING BANKS OF THE RANCE RIVER

Walk along the beautiful and calm Rance River. At the twists and turns, let yourself be enchanted by the delightful dwellings built of glimmering granite.

ART OF LIVING P.18

FOR LOVE OF TASTE

Treat yourself as much as you wish to the iodine-rich products of the sea and try out our exquisite local specialties: buckwheat pancakes, wheat flour pancakes ...

LIBERATE YOUR ENERGY

Feel like going out? Moving around? With family or friends, come and make the most of the top-quality activities and shows on offer all year round.

GOING OUT, BARGAIN-HUNTING, EDUCATING YOURSELF

For those passionate about art and culture, the Emerald coast is the ideal destination to spend a weekend, or longer.

NATURE & LEISURE

CAST YOUR SAILS

≡ The magnificent stretches of water on the Emerald coast are ideal playing areas for fans of water sports, either solo or in a club. For fans of shellfish picking or angling, the very low tides in the area are not-to-be-missed meeting places ≡

*We surf here
all year round*

NATURE & LEISURE

WALK, PEDAL, GALLOP!

≡ The Emerald coast is the dream place for walkers, cyclists, horse-riders. Golfers can swing on renowned golf courses, one of which is the legendary Dinard Golf Club built in 1887. Horse fans can meet up during two major events: show jumping in Dinard in July and horse-racing by the sea in Lancieux in August ≡

Do ask for more information at the Tourist Offices

Come and swing by the sea

Horse-racing on the course by the sea in Ploubalay/Lancieux

International show jumping in Dinard.

ON FOOT, ON HORSE-BACK, OR ON A BIKE, COME AND DISCOVER THE EXCURSIONS OF THE EMERALD COAST

NATURE & LEISURE

AN EXCEPTIONAL NATURAL HERITAGE

≡ The Emerald coast has many remarkable natural areas which shelter rich and specific fauna and flora, visible all year round with family or friends

Salicornia grows in the salt meadows, the salt marshes. Successively by the sea, it is given a salty taste over the course of the tides

The Greater Horseshoe Bat: protected and sedentary species hibernating in caves or fortifications

The Grey Wagtail lives near waterways. Protected species visible in the Spring and Summer

The Grey Heron: protected species visible all-year round near the coast, rivers and areas of water

The Common Shelduck: bird of the estuaries, the mud flats. Migrates from our coast at the end of the Summer to moult on the sandbanks off the German coast

The Great Cormorant: protected species, visible all-year round

The Common Buzzard: protected species, visible all-year round

The Eurasian Curlew, migratory bird which hibernates in mud flats at the end of the Summer until the Spring

The Canada Goose: protected species from estuary and mud flats. Migrating bird from the North of Siberia arriving in October and leaving in March

The Herring Gull: protected species, visible all-year round on the coastline

- NATURAL AREAS**
- 1 The polder of Ploubalay
 - 2 The "Tertre Corlieu"
 - 3 The "Garde Guérin"
 - 4 The "pointe du Nick" headland
 - 5 The "Anse des Grandes Rivières" cove
 - 6 The "pointe de Cancaval" headland
 - 7 The "Anse de Saint-Buc" cove
 - 8 The "Etang du Bois Joli" water pool

COUNTRY CODE

Reminder of the basic rules in order to respect the local territory.

For walkers:

- Do not walk stray from the footpaths
- Do not use motor vehicles in order to keep the area peaceful
- Do not pick flowers or wild plants
- Do not frighten wild animals
- Keep your dog on a leash and dispose of any excrement
- Do not camp
- Do not light fires

For anglers:

- Respect the regulatory sizes of the species you fish and the authorised fishing periods
- Only fish what is necessary for your own consumption
- Replace any stones you upturn in exactly the same position.
- Do not pick seaweed
